

Loch Lomond Yacht Club

Jan-Feb, 2025

From The Helm
David Tattersall,
Commodore

Happy New Year Loch Lomond Yacht Club. January heralded in a new year, a new Board and new club crews (committees). Our first event was the 'Change of Watch' when the Board and Crews are officially appointed. Then the work really began.

The club was closed from January 12-17 for the annual club maintenance. John McKillop organized the House Crew and significant improvements were made to the club. Thank you everyone on the House Team for participat-

ing. If you are handy or have any special skills with fixing, repairing or installing things, please contact Port Captain John at (cardhu33@gmail.com) so he can add you to our list of resources and might call upon you when there is a need.

February started with a bang with the Annual Loch Lomond Yacht Club Crab Feed. For those of you who missed this, this was a big event with 80 members and guests enjoying great food and comradery.

As you can see, your fellow members contribute a lot to the success of the club. If you haven't yet given a little of your time to the club, explore our various crews (committees) to find a fit for you. Being involved in the club makes the club more your home, you will get to know more members and 'everyone will know your name'.

The Crews and Crew Chiefs include the Bar Crew (Christine Adams), the Galley Crew (Dan Grubman), The House Crew (John McKillop), the Entertainment Crew (Dave Grega), the Membership Crew (Kelly London), the Publicity Crew, (Donna Borok-Moss) where we need someone with some IT experience for putting together (from reports provided by the Crew Chiefs) the monthly Salty newsletter and developing a social media presence. Cruise-In Crew (Denny Amundsen) is responsible for arranging and managing cruise ins by other clubs.

The Fleet Captain position is still open. The Fleet Captain organizes cruise outs for club members. If interested, please contact me about this position. Regarding the other Crews, please contact the crew chiefs in any of these

areas where you feel you can contribute.

We need to do a call out for some volunteers to fill 3 important positions:

- * Fleet Captain- responsible for organizing and implementing club cruise outs to other yacht clubs and fun destinations.
- * Publicity Crew Chief- responsible for publishing the Salty monthly news letter and developing social media.
- * Sunshine Crew- responsible for organizing and sending out birthday cards to club members along with a birthday drink coupon.

If interested in any of these positions, please contact me at:

Club Reminders

As we begin a new year, your Board of Directors would like to remind you of a few important items... **PLEASE READ!**

Email:

To begin with, we ask that you take a look at your Email settings. Please mark LLYC as a safe sender, so that you don't miss any of our mailings! Some members have mentioned not receiving emails from LLYC, but then locate them in their "spam/junk" folders. So make sure we land in your IN box!

Name Tags/Badges:

Please note that all members and guests must wear their name tags/badges at all times while in the Clubhouse. Please double check to make sure your guests sign in at the door and make a guest name badge for themselves.

Key Club:

There is no longer any cash being kept in the register at the Bar. If you come in during Key

Club, note that you will either need to run your tab through Square (credit card) in order to pay, or have exact change with you.

Private Events:

If the Calendar is marked for a Private Event, or there is a sign at the door, members are not allowed to be in the Clubhouse (unless the renter has agreed to such). We have had some issues with members showing up at the Club during a Private Event. Unless you are an invited guest, please respect the rental and come back another time.

Isonas (Key Club) Access:

You do not need to be at the Clubhouse in order to set up your Isonas/Key Club access. This can be set up remotely with one of our Officers through the Isonas App on your mobile phone.

NOTE: If you get a *new* mobile phone, you must reinstall and reactivate the Isonas App. This is not transferable from one phone to another, as access is attained through your specific ID Device number.

Volunteers of the Month

As your Commodore, it is my pleasure to honor the Volunteers of the Month for January and February. For January, we'd like to recognize Co-Rear Commodore Christine Adams, who has just done an amazing job behind the bar and orchestrating the installation of a new heating and air conditioning system.

For February, we are pleased to honor Vice Commodore Dan Grubman, for coordinating and executing galley operations and just about everything else at the Club. Dan is pretty much a daily fixture at the Club. He has put on some amazing and large events recently, for which we are grateful.

Thanks to both of you. Look in the mail for your club dinner coupon which is just a small sign of the Club's appreciation for your efforts.

Your Boat Photo Wanted

If you would like to show off your beautiful vessel on the walls of LLYC Clubhouse, now's your chance! Please submit a high-res photo of your boat, it's name, and the name of the owners. We will take care of the rest and hang it on the wall with the rest of our Fleet for all to see!
