

109th Annual Opening Day On The Bay

Sunday, April 26

*The official start of San Francisco Bay's 2026
Boating Season is about to begin!*

Time to shake off those winter blues and get out on the Bay! For those who are interested in joining the festivities, please check out PICYA's website regarding the details and how to sign up. There is no fee to join in the Parade, but you **do** need to pre-register. [Opening Day on the Bay - PICYA](#)

If you are the captain of a boat that would like to join the Decorated Boat Parade departing from LLYC, please send an email to Fleet Captain Kurt Sund: kurtsund@hotmail.com and copy Matthew Byers: mjbflagmaker@gmail.com

Please let us know what type of boat you will be piloting: Power? Sail? And length, too. If you are willing to host other members on your boat, we will match you up! Just let us know how many passengers you have room for.

If you do **not** have a boat, but would like to join one of our members' boats, please send an email to kurtsund@hotmail.com and advise us how many passengers in your group and their names. We will do our best to accommodate these requests, based on available space.

Another great option to enjoy the festivities is to join the PICYA on their official Committee Boat with a front row view to the action.
